

Like To Walk With Grandma

I like to walk with Grandma
Her steps are short like mine
She doesn't say 'Now hurry up!'
She always takes her time.

I like to walk with Grandma
Her eyes see things like mine do
Like caterpillars, funny clouds
Butterflies and sparkling dew.

Most people have to hurry
They do not stop and see.
I'm glad that God made Grandma
Unrushed and young - like me.

Grandma 1

A Grandma
knows the nicest
ways of bringing happiness...
sharing love in all she does
to nurture and to bless.
A Grandma is a special gift
sent from God above
who shares her talents and her
time and best of all, her love.
Thank you for your
gift of love, Grandma.
May God bless you with
His goodness.

Grandma 2

From the time I was
a little kid I remember
how much fun
it was to be with you
and how easy it was
to talk to you --
I always looked forward
to our "together times".
And on this special day
I wanted you to know
I still enjoy the special
closeness the two of us share.

Grandmother 1

A Grandmother
as Dear as you
makes life more special.
Although the years
in passing have a way
of changing things,
They'll never change
the love and warmth
that thinking of you brings.
For you're the kind of
Grandmother who's dearer
than you know, and this is a
welcome chance to
fondly tell you so.

Grandmother 2

Families share so many things together but it's the special things that makes a family strong. And among the most special is the love of a dear grandmother ...

Like You.

You are very special and we need and love you very much May the Lord always bless you and keep you in his care. and may those who you love always bring you happiness.

What Is A Grandma?

A grandma is warm hugs and sweet memories.

She remembers all of your accomplishments and forgets all of your mistakes.

She is someone you can tell your secrets and worries to, and she hopes and prays that all your dreams come true.

She always loves you, no matter what. She can see past temper tantrums and bad moods,

and makes it clear that they don't affect how precious you are to her.

She is an encouraging word and tender touch.

She is full of proud smiles.

She is the one person in the world who loves you with all her heart, who remembers the child you were and cherishes the person you've become.

The Greatest Grandmother In The World

My Grandmother is a special
person, a woman like no other.
In her I see a caring and loving woman.
One who guides with tender, yet, strong
hands.

In my heart I feel her love
and in my life I see her touch.
The lessons she taught and the standards
she set, will follow me always.
And no matter what else happens,
I will always think of her with love and
respect.

But to me she is...and will always be,
My Grandma

For You Grandmother

The Lord bless you
and keep you:
The Lord make his face
to shine upon you...
Numbers 6:24-25

Each day brings thoughts
of you, and with each
thought, a prayer.
That God will bless
you day by day,
and keep you in His care.

This is a Grandmother

*A warm smile to greet us,
a tender embrace,
Sweet understanding
when things don't fall in place,
Encouraging wisdom
to help with each day,
And love that goes with us
as we go our way,
A part of our lives
from one day to another,
A joy to us always....
this is a Grandmother.*
